Drawings

1. The drawings filed 12/17/2004 are considered as informal because all the lines and reference numerals are rough and non-uniform. The descriptive words in the Figures are also not legible. Since the application having been allowed, formal drawings are required in response to this Office Action.

REASON FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: allowance of claims 6-12 and 17-22 is indicated because the prior art of record does not show or suggest in combination the steps of providing a first hardness testing device to a forward side of an induction hardening head, moving the induction hardening head over the workpiece to induction harden the workpiece, taking a plurality of forward hardness measurements of the workpiece with the first hardness testing device, and adjusting the induction hardening head to provide a predetermined hardness profile to the workpiece as recited in claims 6-12 and 21; an induction hardening assembly slidably connected to a base, a first hardness measuring device disposed on a forward side of induction hardening assembly; and a second hardness measuring device disposed on a following side of the induction hardening assembly as recited in claims 17-20; and means for induction hardening assembly edge of the workpiece, first means provided to the apparatus for measuring the hardness of the workpiece, and second means provided to the apparatus for measuring the hardness of the workpiece as recited in claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
